# Notice of a social contribution activities

On 18 July 2020, Matsuya R&D (Vietnam)Co., Ltd. visited to an elementary school in Dong Nai. They donated foods, notebooks and books to the locals.

There are areas where ethnic minority needy people live in part of Vietnam, and there are not many Facilities for orphan children and the elderly with no one to depend on. Therefore, they are managed by donation from private sectors now.

Our group works on a social contribution activities for such area and facility since 2015.
